

§ 4775.11. Effect on local laws.

It is the intent of the general assembly to preempt any local ordinance, resolution, or other law adopted or enacted after the effective date of this section, that is limited to the registration of persons engaged in business as motor vehicle collision repair operators in a manner corresponding to the provisions of this chapter. This chapter does not preempt any local law adopted or enacted prior to the effective date of this section, or that may require registration or licensure as a component of imposing additional requirements on persons engaged in business as motor vehicle collision repair operators or technicians. Nor does it preempt the enforcement of any local law regulating motor vehicle collision repair operators or technicians, including building, zoning, health, safety, or other similar codes or laws.
