

4775-2-05

**Temporary "motor vehicle collision repair registration certificate".**

A motor vehicle collision repair operator who substantially complies with the requirements for registration as a motor vehicle collision repair operator and/or one who is making a good faith effort toward achieving compliance with all registration requirements may obtain a temporary motor vehicle collision repair registration certificate, which certificate may be renewed not more than four consecutive times. Following the application of and payment of a fee by a motor vehicle collision repair operator, the board, in its discretion, may direct the executive director to issue a temporary registration certificate to a motor vehicle collision repair operator the board finds to be in substantial compliance with the registration requirements and/or who is making a good faith effort toward achieving compliance with all board registration requirements.
